Increase **your business knowledge, profit, the value of your business**

Our professionally trained coaches will work with a group of business owners to improve all aspects of their businesses through education, training, planning, and systems implementation. You will be trained in the Maus Mini MBA programme, a certificated management training programme used around the world to help business owners improve their business, improve profitability, and increase value.

In our workshop you will establish and track key performance indicators in your company, and get valuable peer to peer discussion and feedback. Upon completion, you will also receive a certificate of completion of the Mini MBA Programme.

For more programme details, visit www.eastwindinc.ca/bizmax
